President’s Message from Judy

When this brochure arrives you will probably be thinking that a new year must be on the horizon. As we planned the events for the first brochure in 2018 we hoped to provide a variety of options for your choosing. In an effort to contact our members in a timely way when the need arises we will be collecting e-mail addresses from those of you who are interested. Many of you provide email addresses when registering for an event. This is a list that will be in addition to that and will be for CEA-R business other than events for which you have registered. There will be an opportunity to provide that information at our meetings if you choose to do so.

A special thank you to all who participated in the United Way Campaign this year. I will try to have a total for CEA-R by the time the next brochure goes to print.

If you have any questions, concerns or suggestions for CEA-R, contact me at 614-866-6333 or my e-mail at jvalentine59@aol.com.
BUS PICK UP LOCATIONS

When we take a motor coach as our means of transportation to various activities, we usually use two pick-up locations; basically one northwest and one east. It depends on the direction of the trip. The location of the pick-up for each activity will be stated in the respective descriptions. At the present time we are using the following pickup locations.

Note: On each activity, the arrival times are approximate.

EAST: Taylor Square Shopping Center on Rt. 256 North. Park in the back of the Fifth Third Bank at 2883 Taylor Rd. You will be in front of Marshall’s & JoAnn Fabrics. Directions from 1-70 East: Travel east on 1-70 to exit 1 12B. The exit sign says Reynoldsburg West. (The exit is west when you start but you will enter on R. 256). Turn right (North) to the first light (0.2 mi.). Turn left on Taylor Road. You are there.

NORTHWEST: Olentangy Plaza 5005 Olentangy River Rd Rte. 315 North to Bethel Rd exit, turn left (west) onto Bethel Rd. Go to the 2nd light and turn left into the parking area of the Olentangy Plaza. We will tour the beautiful Annunciation Greek Orthodox Cathedral. The church was built in a traditional Byzantine style which dates back to the sixth century. All aspects of this church are works of art; the mosaic dome covered with Venetian glass so it will not fade over the years, the 24 carat gold leaf tiles, the stained glass windows, and a round stained glass window in the choir loft. The marble floors were quarried on one of the Greek Islands. The soft, earthy colors are restful and compatible with the wooden pews. The architect for the entire complex was one of the church’s members. There is a parking lot at the site and a bookstore that is open from 10 AM until 2 PM. At the conclusion of the tour, we will continue our Greek experience by having lunch in a private dining room at the Happy Greek Restaurant.

Our guest speaker will be Susan Reid. Susan is the sister of Jerrie Mock, the first woman to complete a solo flight around the world. Susan is a retired teacher from Heath, Ohio and resides in Newark. Susan’s presentation will recount Jerrie’s journey. It took two years of planning, visiting embassies, and arranging ways to outfit her Cessna 180 for such a long flight over the ocean. She also had to be sanctioned by the National Aeronautic Association in order to have an official record flight. Jerrie used a globe and charted the trip herself. She was called “The Flying Housewife” but she was so much more. She fulfilled her childhood dream to become a pilot and to fly around the world. She was a great example of perseverance, integrity and courage. Susan will be with us to relay many of the challenges that Jerrie faced on her epic, record-breaking flight.

**Chris Spielman** wrote about Mr. Brown:  
“I’ve known Tim Brown for 40 years, and we’ve been friends for over 25 of those years. He’s always had a servant’s heart, particularly in mentoring young people, and especially young boys. His book covers important ground in seeking to help boys become “Uncommon Men”. And he’s covered that ground well. Plain, Powerful, Practical talk for men of all ages. The call to action and challenge for boys and men to live uncommon lives is loud.. and the path, while not easy, has been clearly stated in the pages of this book. It is both a resource and roadmap for those ready to experience the adventure and rewards of being Uncommon Men”.

Built in 1852 by **Fernando Cortez and Sophia Stone Kelton**, the House has been preserved with Kelton family Victorian treasures from the 1800s. Strong Abolitionists, the Kelton Home hid fugitive slaves as a stop on the Underground Railroad. In 1975, when Grace Kelton, the granddaughter of Fernando and Sophia, died, her Will entrusted the property to the Columbus Foundation with the stipulation that her family home be preserved and used for educational purposes.  

In 1976, the **Junior League of Columbus** took on the task of renovating and restoring the house and garden to create a museum of 19th-century life. Today, the Kelton House Museum and Garden is a community service program of the Junior League of Columbus that offers an ongoing program of house tours, special events and educational opportunities. An active volunteer program provides a training ground for individuals interested in historic preservation, the decorative arts, American History and museum management.

There was a celebrated Main Library $39 million expansion in 1991 which was designed to house a large collection of books. With on onset of technology, the library celebrated its third major opening since being dedicated on April 4, 1907. And while books, and reading, still guide it, the flagship building’s new look speaks volumes about its changing role in society. Some highlights include more than 5,000 square feet of new interior glass, open spaces and natural light throughout, lots of new technology including Wi-Fi projectors and interactive "discovery boards," the new park with outdoor performance space, removal of an entire floor plate and increased meeting space (from three to seven rooms), which can be reserved by businesses or the public and a grand two-story reading room.

This $35 million, 16 month renovation will make for an exciting tour.

Explore 5,000 years of history at Historic Spanish Point in Osprey. The families that homesteaded this location weren’t the only one’s who had to contend with saw palmetto, rattle snakes and alligators. Life had been going on for many years before in this location.

Cost: $ 9.00/person for groups. We need to have reservations in by February 6.

We will have lunch following the tour at a near by restaurant. Directions to be handed out at HSP.

Directions: From I-75, take Laurel Rd. exit (exit195)W. to US 41 (Tamiami Trail) and continue north for 4 miles. The museum is on the left.

Your CEA-R Planning Committee members are often asked “Where do you come up with the ideas for events?” Truth be told, many of the events are planned from suggestions that come from you, the member!

If you attended an activity and liked what you heard or saw - **suggest it**. If you have taken a little trip and enjoyed it - **suggest it**. If you listened to a speaker and found the message to be of interest or entertaining - **suggest it**! If you are not sure your idea would be good for CEA-R, **suggest it anyway**. The committee will consider it.

Many of our events include but are not restricted to speakers and lunch, tours, day trips, and multi-day trips. Think outside the box (no pun intended) and suggest something totally different than the events that we have planned in the past.
